

YALA WIDOWS AND ORPHANS SUPPORT PROJECT [YAWOSUP]

APRIL 2021 UPDATE REPORT

GIVING WIDOWS HOPE IS OUR JOY

We give God all the glory and honour for enabling us to begin the new year 2021.

Last year was a year of great challenges, but God passed us through the challenges majorly through the support from WMT.

We thank God for your support even as we hope that the same God, who crossed us over to the year 2021 is still active and will see us through.

This is a report for the first disbursement of funds for 2021. Through the support, we are seeing some light in the tunnel even as the third wave of Coronavirus seems to have a bad effect on us.

In this first quarter, we had planned to construct a house for a widow, train and give seed fund to microfinance, train and support cereal banking, support Barbara Leighton Academy, and pay our staff their salaries.

By the grace of God, we managed to carry out all these activities with an extra of supporting widows with farm input to help them plant their crops confidently.

May God bless all who contributed to the WMT fund.

Rev. Edward Wata

YAWOSUP DIRECTOR

This widow almost shed tears of joy after WMT supported YAWOSUP to construct this house for her. The widow now has confidence facing the coming April rains, which has been a major concern to her due to her leaking hut
