

YAWOSUP /BARBARA ACADEMY
COVID-19 ACTIVITY REPORT
JULY 2020

Since schools closed in March early this year, children have remained at home, with majority of them loitering around in market places. This has cause havoc among the teenage youth who have involved in sexual activities resulting to high rate of early pregnancies. To avoid this, **YAWOSUP** and **Barbara Academy** staff have worked hand in hand to engage our youths in productive activities as can be seen in the photos below.

Our children continue to learn

Our youths are engaged in a Tree Nursery project

We have maintained our Emergency Feeding Programme for **Barbara Academy** pupils, so our children continue to eat at home.
