We send our sincere thanks to our partner, World Mission Team for the generous support. Through your support, YAWOSUP has made a great impact in the community. We are happy to report that, through your support, YAWOSUP is giving birth to an NGO known as Apostolic Missions International [AMI] which is in the process of registration. Once registered, AMI will extend YAWOSUP community outreach beyond the current geographical coverage of Siaya County. Our activities will touch other Neighbouring Counties and beyond. Glory be to God.
