

YAWOSUP JULY 2026 UPDATE REPORT

We are grateful to God and our supporters who enabled us to achieve whatever we managed to achieve in this reporting quarter.

In this quarter, we planned to train caregivers and group officials on group leadership and dynamics, provide table Loan to the caregivers, lease and plant maize to support BLCS feeding program and relief for the needy in the community.

Payment of our support staff salaries also remained key expenditure in this quarter. By God's grace we achieved all these and we give all the glory and honor to God who supplies our needs according to His riches in Heaven.

We thank God for the good harvest.
